First Steps

7 Days as a Little Master

Look · Color · Tell

A little journey to get started, with nothing to prepare.

Ready to print

How does it work?

One artwork a day, for 7 days. About 15 minutes, to do together.

1. Look

We look at the real painting and search for a detail. There are no right or wrong answers!

2. Color

We color part of a page from the **Little Artists** book. The sheet number is shown.

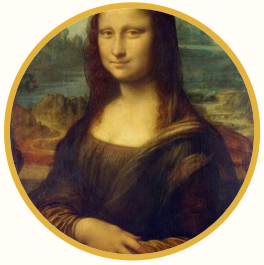

3. Tell

We answer out loud or write a few words. A grown-up can do the writing for little ones.

At the end of each day, color in the circle on “My Little Master Week.” On day 7, fill in your diploma!

My Little Master Week

Color in the circle when you finish the day's mission.
